### 4. President's Report – Marc Imbeault

Marc thanked the members of the Board for their work in the past year. Marc congratulated the journal editors for the renewal of the funding. This past year we focussed on membership, communication plan and conferences. These topics were inter-related. A key focus was renewal of the CNIE website. The changes are not apparent yet, but they will be evident shortly. The new site should be much easier to use. We also focussed on the joint conferences with CAUCE for this year, and next year. Concerning finances, with 250 members we need to consider the costs associated with the Secretariat.

### Treasurer's Report

#### 5.1 Audit (2013-2014)

Audited figures for 2013/2014 are shown in the 2013/2014 'Actual' Column of the Budget Schedule provided at the meeting. A decrease in membership revenue as well as a few one-time expenditures related to a membership drive

and legal fees associated with changes relating to the Canada Not-for-Profit Corporations Act resulted in a deficit to the budget of \$10,199 for 2013/2014.

**Motion: To approve the 2013-2014 CNIE Audit**

Moved by Sandy Hughes/Seconded by Katrin Becker. **(CARRIED)**

**5.2 Appointment of Auditors**

**Motion:** To appoint McCay, Duff and Company as the organization's auditors for 2014-2015.

Moved by Sandy Hughes /Seconded by Cathy Kelly. **(CARRIED)**

**5.3 Approval of the Budget for 2015/2016**

The budget for 2015/2016 shows a modest surplus as the Secretariat fees have been substantially reduced. Additional plans underway with the incoming executive will help to drastically reduce the deficit and put CNIE into a strong financial position.

**Motion:** To approve the 2015/2016 budget as presented.

Moved by Sandy Hughes/Seconded by Cathy Kelly **(CARRIED)**

**5.4 Membership Figures**

The membership figures are provided in the package. There is a slight decline in membership however plans are underway to reverse the decline and provide added value to members. Kari commented on the upcoming focus toward student involvement. Also providing lower fees for smaller organizations will help to increase membership. We would also like to lower the fees further, which is possible with increased membership.

**5.5 Membership Fee Adjustment**

Motion: Moved by Sandy Hughes/Seconded by Susan Cleyle that the annual membership fees for 2015/2016 be adjusted as of October 1 2015, as follows:

- Regular member \$110 (decrease from \$125)
- Organizational member \$400 plus \$110 per additional member (decrease from \$440)
- Student member \$40 (decrease from \$65)
- Retired and lifetime member - no change
- Corporate member (\$1,000, which includes advertisement in CNIE hosted events) (previously undefined)

## 6.2 and 6.3 Journals

The journals are well respected. The International Journal of E-Learning and Distance Education has a healthy history. The name of the journal was changed to incorporate current terminology. Vince was able to secure SSHRC funding to keep the journal strong. There has been an increase in submissions from international scholars. The Canadian Journal of Learning and Technology is also well respected. Both journals are solid journals for submission. Those submissions approved for publication are strong.

On behalf of the IJDE, Lorraine Carter presented the award to **Karen Lee (et al), University of Texas**, for the IJDE. The winner for the award for the CJLT was not able to attend the conference. The journals are a distinguishing feature of CNIE.

## 7. Welcome from Incoming President: Kari Rasmussen

Kari is looking forward to the next year. The Board is strong and we had an excellent Board meeting this week with great ideas. We believe we can revitalize the organization. The Board will take on two main webinar conferences this year. The fall event will be a showcase for CNIE members. In the Spring, we will focus on student work and showcase that work. CNIE members should feel free to contact Kari with ideas and suggestions.
